

## Create your own God/Goddess

You are going to create your own god or goddess that represents or explains an event or something about the natural world. The Greeks loved to tell stories about their past and many legends about gods and goddesses were passed down throughout history. It is not known when the stories were first told, but they had been told over and over by the time they were written down.

Your god/goddesses should have the following:

1. Name: \_\_\_\_\_ (Greek) \_\_\_\_\_ (English)

2. Objects/Symbols that your God/Goddess is seen with.

- a. \_\_\_\_\_
- b. \_\_\_\_\_
- c. \_\_\_\_\_
- d. \_\_\_\_\_

3. Things in nature, activities, or events your god/goddess represents.

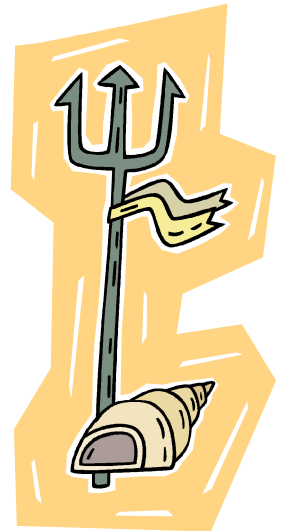

- a. \_\_\_\_\_
- b. \_\_\_\_\_
- c. \_\_\_\_\_

4. What pleases and angers your god/goddess?

- a. \_\_\_\_\_
- b. \_\_\_\_\_

5. What happens if they are angry or happy?

- a. \_\_\_\_\_
- b. \_\_\_\_\_

Do a drawing that is creative and colorful. I know that not everyone is a great artist, but do it as neatly as possible.

Take all the above information and write a description of your god/goddess somewhere on the front of your picture.
