

Student Handout #2 - Teotihuacan and Cahokia Research Notes:

Use facts from the videos, PowerPoint, web-based articles, or print resources that your teacher provides to answer the following questions about each of these important American cities and societies.

	Teotihuacan (~100 BCE-750 CE)	Cahokia (~600 CE-1400)
When do archaeologists and historians think it was built?		
Who built it?		
How many people probably lived there and who were they?		
What evidence is there that this city was connected to other regions?		
What happened to the city?		
What are the remaining mysteries about this city?		
Compare and Contrast		
How were these two cities similar?		
How were these two cities different?		
What does the history of these cities remind you of? What patterns, successes, or problems did they share with other ancient cities, kingdoms, or empires?
